

Rollin™

RC Series

Applications:

Sheetfed, Coating

Cast or Buffed Finish

The RC Series is available with both cast and buffed finishes so printers can get the ideal coating results they desire.

Fabric or Adhesive Backed

RC series adhesive backed blankets offer reliable adhesion and easy removal and clean-up.

Unique Blue Strip Zone

Built with a unique, blue-colored compressible layer that offers clean, reliable cutouts by hand or CAD systems.

Technical Details

COLOR:	Blue Gray	INK COMPATIBILITY:	Aqueous & UV Coatings
SURFACE:	RC: Buffed RCC: Cast	BLANKET CONSTRUCTION:	Strippable Compressible
HARDNESS:	RC: 78 Shore A RCC: 74 Shore A	WATER AND SOLVENT PROTECTED:	Yes
AVAILABLE THICKNESS:	RC3 & RCC3 .067" ± .001" (1.71 mm ± 0.02) 3 Ply RC4 & RCC4 .077" ± .001" (1.96 mm ± 0.02) 4 Ply RC370 & RCC370 .067" ± .001" (1.71 mm ± 0.02) 3 Ply Adhesive Backed RC470 & RCC470 .077" ± .001" (1.96 mm ± 0.02) 4 Ply Adhesive Backed
